

# 10 - 2 - 20

## (N) Nitrogen

## (P) Phosphate

## (K) Potassium

### Guaranteed Analysis

Total Nitrogen (N)*	10.00
0.00% Nitrate Nitrogen	
5.00% Ammoniacal Nitrogen	
5.00% Other Water Soluble Nitrogen, (and/or Urea Nitrogen)	
0.00% Water Insoluble Nitrogen	
Available Phosphorus as P <sub>2</sub> O <sub>5</sub>	2.00
Soluble Potassium as K <sub>2</sub> O**	20.00
Chlorine, not more than	19.00
Derived from: Ammonium Sulfate, Diammonium Phosphate, Polymer Sulfur Coated Urea, Muriate of Potash, Sulfate of Potash-Magnesia.	
*3.5% Slowly Available Nitrogen	
Secondary and Micro Plant Foods:	
Total Magnesium as Mg	0.50
Water Sol Magnesium as Mg	0.50
Total Manganese as Mn	0.50
Water Sol Manganese as Mn	0.05
Total Iron as Fe	5.00
Iron as Fe (Chelated)	0.02

Derived from:  
Sulfate of Potash-Magnesia,  
Iron Oxide, Iron EDTA, Iron DTPA,  
Manganese Sulfate.

Net weight - 50lbs.

### Features, Use, Benefits

- Perfect Summer application!
- Simple reverse formulation from the 20-2-10 Spring, Fall and Winter application. Reduces Nitrogen and increases those nutrients that focus on root enhancement.
- **5% Iron with Chelated Iron to enrich color!**
- Provides consistent release under a broad range of environmental conditions
- Fortified with potash, **extra magnesium and manganese**...essential for soils depleted of micronutrients.
- South Florida soils are typically found to have high pH levels. Acid forming elements assist in balancing the natural growing conditions.

Review reverse side for additional details.

### Application Rates

- 5-lbs per 1000 sq.ft. will provide 1 lb. of Nitrogen per 1000 sq.ft.

- **Spreader Setting**  
Earthway Spreader setting: 12

#### Important to note:

Spreader settings differ with each manufacturer. Spreader settings are only approximated. Age, condition of spreader and operator speed can cause width variation in application rate. Spreader should be calibrated prior to each application by the operator.

### Caution

Please keep out of the reach of children.

Hazards to Humans and Domestic Animals. Harmful if swallowed. Avoid inhalation or contact with eyes. If on skin wash with plenty of soap and water. Keep away from feed or food products.

Get medical attention if irritation occurs and persists. Call a poison control center or doctor for further treatment. Have this product label with you when calling.

**CAUTION & WARRANTY**
