Net weight - 50lbs.		<p data-bbox="819 605 1219 705">Features, Use and Benefits</p> <ul style="list-style-type: none"> - Perfect for Spring-Fall-Winter health & growth - Slowly Available Organic Nitrogen, assures efficient, sustained nutrition - 5% Iron with chelated iron to enrich color - Minors package returns nutrients to plant for stronger root and cell structure - Provides consistent release under a broad range of environmental conditions - SW Florida soils are typically found to have high pH levels. Acid forming elements assist in balancing the natural growing conditions. - Slowly available nutrients resist leaching through root zone and provide long lasting benefits to soil conditions. <p data-bbox="819 1333 1199 1355">Review reverse side for additional details.</p>	<p data-bbox="1257 605 1657 672">Application Rates</p> <ul style="list-style-type: none"> - 5-lbs per 1000 sq.ft. will provide 1 lb. of Nitrogen per 1000 sq.ft. - Spreader Setting Earthway Spreader setting recommendation: 12 <p data-bbox="1257 805 1657 933">Important to note: Spreader settings differ with each manufacturer. Spreader settings are only approximated. Age, condition of spreader and operator speed can cause width variation in application rate. Spreader should be calibrated prior to each</p> <p data-bbox="1257 948 1657 1033">Caution Please keep out of the reach of children.</p> <p data-bbox="1257 1048 1657 1133">Hazards to Humans and Domestic Animals. Harmful if swallowed. Avoid inhalation or contact with eyes. If on skin wash with plenty of soap and water. Keep away from feed or food products.</p> <p data-bbox="1257 1162 1657 1248">Get medical attention if irritation occurs and persists. Call a poison control center or doctor for further treatment. Have this product label with you when calling.</p> <p data-bbox="1257 1333 1657 1355">CAUTION & WARRANTY on back side of bag.</p>
Total Nitrogen (N)*	20.00																																			
0.00% Nitrate Nitrogen																																				
8.80% Ammoniacal Nitrogen																																				
11.20% Other Water Soluble Nitrogen, (and/or Urea Nitrogen)																																				
0.00% Water Insoluble Nitrogen																																				
Available Phosphorus as P ₂ O ₅	2.00																																			
Soluble Potassium as K ₂ O	10.00																																			
Chlorine, not more than	9.00																																			
Derived from: Ammonium Sulfate, Diammonium Phosphate, Urea, Polymer Sulfur Coated Urea, Muriate of Potash, Sulfate of Potash-Magnesia. *4.00 Slowly Available Nitrogen Secondary and Micro Plant Foods:																																				
Total Magnesium as Mg	0.50																																			
Water Sol Magnesium as Mg	0.50																																			
Total Manganese as Mn	0.50																																			
Water Sol Manganese as Mn	0.05																																			
Total Iron as Fe	5.00																																			
Iron as Fe (Chelated)	0.02																																			
Derived from: Sulfate of Potash-Magnesia, Iron Oxide, Iron EDTA, Iron DTPA, Manganese Sulfate.																																				
Net weight - 50lbs.
